New Retail Dealer Application

Thank you for your interest in becoming a retail dealer of Voyekov Labs, LLC products! Once we have received this form and all the required supporting documents back we will begin reviewing it for approval. This process usually takes 4-5 business days, but once it is complete your Voyekov Labs Territory Representative will notify you directly. If your business is approved, we will send you your sign on credentials to our ordering web portal, pricing information and a copy of our Programmed Order form which will allow you to obtain the best dealer discount pricing possible. You will be able to begin ordering immediately via credit card (MC or VISA), prepaid check or C.O.D. After approval, if you would like to apply for credit terms, please request our Credit Application form.

If approved as a retail dealer your company can receive items for your shop such as Banners and counter top signs which if in stock and available, can be shipped with your first order at no charge. Thank you for considering the possibility of becoming part of the Voyekov Labs family.
